(COLLECTOR)

In consideration of the furnishing of water service and intending to be legally bound hereby, the applicant, jointly and severally, covenant and agree as follows:

1. To pay the sum as stated in the current rate schedule for the tap in fee, for the water supplied at the rate now in force, or which may be established hereafter, and the sum as stated in the current rate schedule for water used during construction of the dwelling. Payment of these charges must be made before water will be supplied.
2. To make no extension or alteration of the said service, and to supply water for no other use than specified herein without first obtaining the written approval of the Authority.
3. To permit or allow no person, firm, partnership, or corporation to tap onto the water line contemplated hereby.
4. That no resale of water will take place for any reason whatsoever. The Authority makes no guarantees regarding the amount of water pressure.
5. That no water from the supply granted as a result of this application will be used or permitted to be used, to fill any water tanks or cisterns on the property other than that described in this application.
6. That, if granted, a charge will be made according to the Rules and Regulations of the Authority, until written notice to discontinue service has been received by the Authority.
7. That in default of payment of any bill within the time specified by the Rules and Regulations of the Authority, or any other default on the part of the Consumer and /or Customer affecting the Authority system the supply of water will be discontinued at the location covered by any such bill, or in any such bill, or in any other location at which water may be supplied to the Consumer in default.
8. That the applicant shall use exclusively water supplied by the Authority unless written consent is given by the Authority to do otherwise.
9. That in the case of any service where the premises are occupied by a tenant the owner shall be equally liable with the undersigned tenant, or subsequent tenants, for payment of all charges for water service.
10. That in the event of violation of any of the provisions hereof or any other Rules and Regulations of the Authority, now in force, or hereafter enacted, this service and any other services, to the parties hereto may be discontinued.
11. That any evidence of tampering with the meter, meter seal, outside reading device, or curb stop will subject the Consumer to immediate discontinuance of water service, and to all other penalties set out in the Rules and Regulation of the Authority.
12. The determination of the size and location of the meter and outside reading device shall be made by the Authority.
13. It is further understood and agreed that in case of default of payment of any sum or sums due to said Authority for the installation of said water service and/or the costs and charges for water consumed for a period of thirty days after date of bill, owner does hereby empower any Attorney of Court of Record within the United States or elsewhere to appear for him and after one or more declarations filed, confess judgment against him as of any term for the above sum with Cost of Suit and Attorney's Commission of 5 % for collection and release of all errors, and with stay of execution and inquisition and extension upon any levy on real estate is hereby waived, and condemnation agreed to, and the exemption of personal property from levy and sale of any execution hereon is also hereby expressly waived, and no benefit of exemption be claimed under any by virtue of any exemption law now in force or which may be hereafter passed.
14. That in the event a change in tenancy in these premises occurs, all parties must execute a new application for service. Failure to do so shall subject the premises to discontinuance of water service upon ten (10) days notice.
15. That this application must be signed by the owner of the premises as well as the tenant, and it shall be the duty of the owner to require the tenant to sign this application as a condition precedent to occupancy.
16. That in the event of violation of Paragraphs 6, 7, and 8, the applicant agrees that liquidated damages for each violation be in the amount of \$100.00 which shall be paid to the Authority.
17. The Rules and Regulations of the Authority are herein incorporated and made part of this Application. A copy of said Rules and Regulations is available to the Applicant on request.
18. These special conditions exist in regards to the water service to this
